

PROTECTING OUR CHILDREN WITH **SHADE STRUCTURES**

Every year it is becoming more and more important to provide shaded areas for our children.

Experts...

Horizon Sailmakers have been designing and installing Shade Sails and awning systems for Australian schools, universities, child care centres and pre-schools for over twenty years. Our list of happy clients even includes the Anti-Cancer Council!

Functional and attractive...

Special design consideration is given to the angles of the Sun, to ensure shade falls in the right areas at the times of the day it is most needed whilst promoting desired outdoor ambience.

Shade structures from a range of materials in a multitude of colours, and can be both porous or waterproof. Our designers will certainly be able to offer you the best possible solution.

Shade applications...

Shade sails can be used in a variety of ways and some of the more common uses include Outdoor pools, Children's' play equipment, play areas and creating undercover malls between buildings.

We handle it all!

Not only do we manufacture and install all of our structures, we can also organise and prepare engineering detail and all relevant Permits on behalf our clients. We also offer a 5-year warranty on workmanship!!!
